Kendal R. Miller of Photography by Kendal has been a working photographer since 1997. Her Fine Art Photography consists of color, black & white, sepia, hand-colored and computer manipulated images of landscapes/scenics, historical and florals from Northwest Florida to Canada. In 2010, her Fine Art Photography was inducted into the Indiana Artisan Program, one of only eight photographers in the state whose work was included. She works in event and commercial photography while also offering outdoor portrait sessions.
